ARNEL GOMEZ

FOR AN HONEST VICE MAYOR

“The new proprietors feel they must in all conscience denounce the infamous abhorrent corruptions of Vice Mayor Manuel Manoy Alipon and his scandalous abuse of public office which have damaged Santa Rosa City so much over the past 3 years and brought to Santa Rosa's public office of City Vice Mayor such dishonor and disrepute.

We strongly urge the people of Santa Rosa to vote Arnel Gomez for City Vice Mayor.

Arnel Gomez is a younger man in reality who does not need the kind of false ridiculously tarted-up campaign images used to make middle-aged Alipon look like a schoolboy.

Arnel Gomez is an honest and competent man, and - highly important - a true family man of honor and integrity who is faithful to his wife and his wedding vows.

Arnel Gomez is a friend of business and a believer in attracting investment to create new jobs in Santa Rosa which are desperately needed by so many young people and so many poor people.

Arnel Gomez honors the law, honors the duties of public service, and has confirmed his qualities by serving with distinction and integrity as a respected Councilor of Sta. Rosa City.

Arnel Gomez will restore respect for the office of City Vice Mayor that has been destroyed in the past three years of abuse by such a scandalously dishonorable, disreputable, corrupt, crooked, dishonest, fraudulent and adulterous predecessor.

Visit Arnel Gomez on Facebook and Friendster and vote for him at election time. Let's all use our voting power to make Santa Rosa City corruption-free in 2010.”
